

THE BOOK OF [JAMES]

RECAP: Have 1 to 2 people in your team share something that stuck out to them from tonight's message. Share an example with your team a time when someone's encouragement really affected you & why you remember it.

READ: James 3:8- discuss the heaviness of this verse. Why is controlling our tongue so important? Our words are powerful- how will this affect your speech moving forward?

REFLECT: The words that come out of our mouth are a true reflection of what's in our heart- how can we fill our heart with things that are honoring to God?

REMEMBER: Wisdom is a huge part of our speech. How does worldliness play into the way that we talk? Why do you think this is important? **ALSO** Have your group work to memorize our verse for this series, which is James 2:17.

REQUEST: Use this time to encourage one another. Come up with a game plan for how you can use your words to build up the people around you!
